

# Welcome

Your hosts, Michael, Jennifer and their sons Dante, Nico and Rocky would like to thank you for visiting Marchitelli's Gourmet Noodle. We take a lot of pride in offering our customers a special and delicious dining experience.

When we moved to Crested Butte from Pittsburgh, PA, we wanted to open a restaurant that customers were comfortable in - as if they were in their own homes. We wanted to combine this feeling with recipes that were handed down to Michael from his grandmother.

By doing this, we hope that our customers will become friends who will want to come back again and again to our restaurant.

In order to preserve open space around Crested Butte, this restaurant adds a voluntary 1% donation to the Crested Butte Land Trust to every check.

If you do not wish to make this donation, please inform your server.

*An automatic gratuity of 20% is added to parties of six or more.  
Please, no separate checks.*
